

Nevin Thomas

A passionate IT and Enterprise student with proficiency in programming, business analysis and management, marketing management, and excellent communication skills. My efficiency and effectiveness in these areas have been honed through years of experience and continuous learning. I am confident in my ability to deliver high-quality work and meet project objectives within the given time frame. My strong communication skills enable me to effectively collaborate with team members and customers, ensuring that all parties are aligned towards achieving the desired outcomes.
